

Why you should learn foreign languages?

YOU'LL FIND THE ANSWER IN THIS
PRESENTATION!

3. Understanding new languages can also help you understand others and become more conscious of them and as a consequence more tolerant.

POLIGLOTA, VOCÊ É?

3. New tongues are also new job opportunities – you can be hired even in countries, when English is not popular

4 Making meaningful relationship with
etrangers would be not possible if you
won't know their tongue.

Travelling to foreign countries is much easier – when you know foreign languages!

Merci pour votre attention
