Begginning of Queen

Queen was founded in 1970. It all started with a band Smile based in London. They produced only 7 songs. When Freddie joined the band, he came up with the new name of the band - Queen.

They started by playing songs by some other artists then started to writing texts for their own. When John Deacon was joining the band, Freddie designed the Queen logo inspired by their zodiac sign.

Queen's career and achievements

They have had a great career.
Queen's music is still present today:
in movies, commercials, fairy tales and even computer games.

Queen has a lot of awards like: Brit Award, Grammy and MTV

Queen's performance at Live Aid was voted the best rock concert ever by the judges of the British Channel 4 The World's Greatest Gigs in 2005. In the justification of the verdict, the jurors said that the vocalist Freddie Mercury convinced 72,000 viewers to clap at one pace to the beat of the song "Radio Ga Ga"
